Repeat Exam Registration & Application Generator

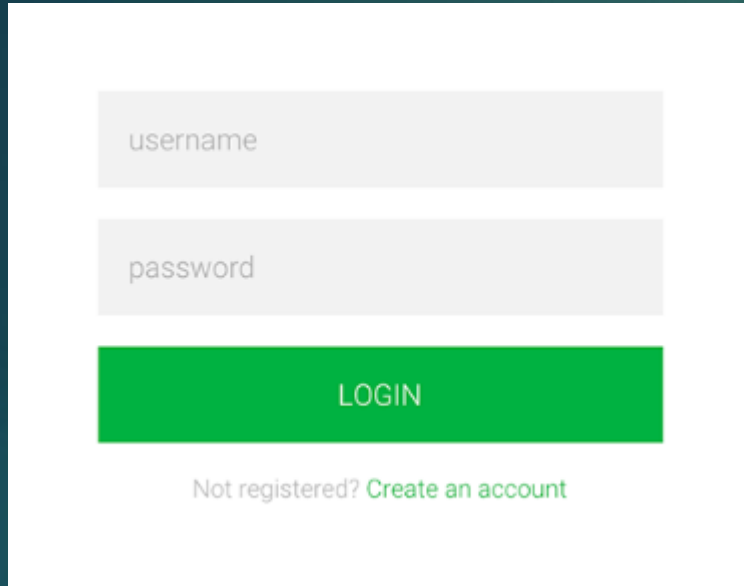

Motivation

- ▶ While applying for a repeat exam, we requires submitting a application to the registrar.
- ▶ As there are no format official format available for the application, students often go through hassles while preparing the application.
- ▶ We will develop a program which will let the student generates a repeat exam form within a minutes.

Features:

- ▶ Login Page
- ▶ Registration & Application Generator Page
- ▶ Admin Panel / Faculty Page

Login Page

A login form with two input fields for 'username' and 'password', a green 'LOGIN' button, and a link 'Not registered? Create an account'.

- ▶ Student can create account or Login from this page.
- ▶ Login is required for saving their information to database.
- ▶ They can reuse the generated application by login in the account.

Application Generator Page

- ▶ Student will need to provide the following data for creating the application:
 - ❑ Name
 - ❑ Registration Number
 - ❑ Subject Code
 - ❑ Subject Name
- ▶ Then they can click on download or print the application directly.
- ▶ A copy of the application will be saved on the database

First Name Last Name

example@example.com

Area Code Phone Number

Street Address

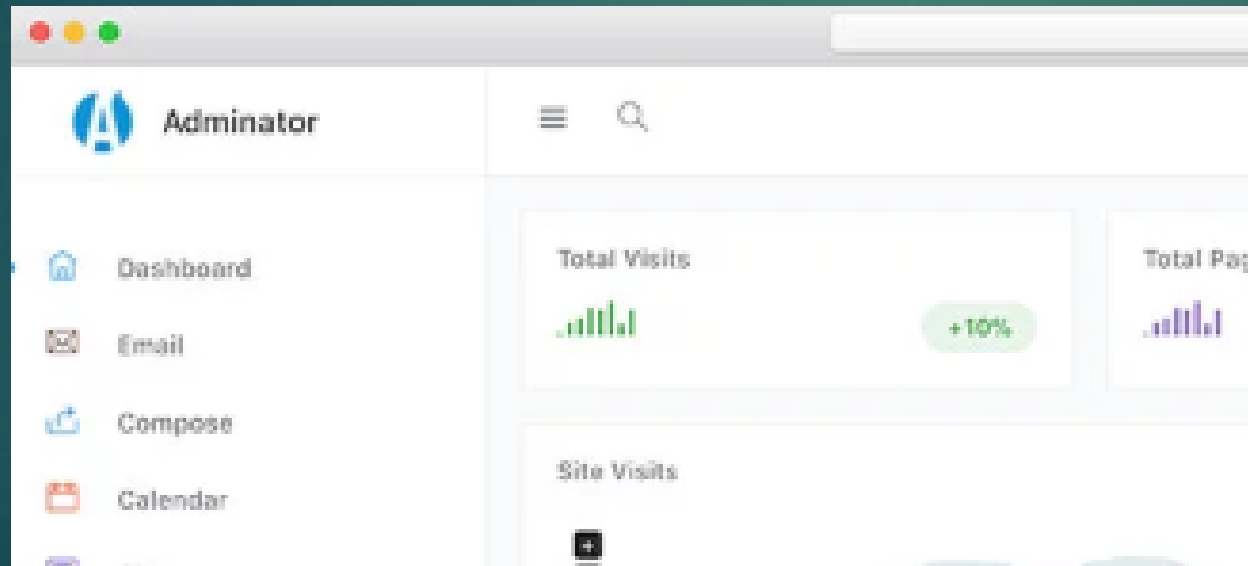

Street Address Line 2

City State / Province

Postal / Zip Code

Admin/Faculty Page

- ▶ Admin or faculty will also require login.
- ▶ The admin or faculty can see the database.
- ▶ They can accept or reject an application.

Conclusion

- ▶ The Repeat Exam Application Generator will help the student to save their valuable times.
- ▶ It will keep them free from the overwhelming confusion about the procedure of writing a repeat examination application and registered themselves for repeat examination.
